COMMENTS OF TIM WALKER

1. Tim Walker ("Walker") requests a change in the table of assignments to add Channel 257A to Brackettville, Texas, as a "drop-in" assignment.

2. Walker states that the allocation window permits the use of this channel as is shown in the attached technical exhibit.

A. The proposed service meets all FCC spacing requirements with modifications of the table proposed.

B. The entire city of Brackettville, Texas will be served by this proposal.

3. This proposal is in the public interest:

A. This assignment is a first local service to the city of Brackettville, Texas which is the county seat of Kinney County. There are no local aural service in Kinney County. The 1990 US Census designated city has 1,740 persons in 748 households.

B. The city government of Brackettville has a mayor & city council both elected by the citizens. In addition, Brackettville has a volunteer fire department with 20 certified members. The Emergency Medical Services System is operated by the county. Brackettville has an independent public school system for all grades. The city operates a water and sewer district.

C. The city has its own business identity through its 2 banks, 7 restaurants, 2 grocery stores, 5 churches, 50 retail outlets, 10 industrial related business, 10 professional businesses, 5 civic organizations, and a weekly newspaper.

4. Walker will promptly file a FCC Form 301 upon grant of the petition and construct the station on grant of the permit.

Respectfully submitted,

ALLOCATION STATEMENT

This statement is prepared on behalf of Tim Walker who makes this petition for Rulemaking which requests an amendment of the Table of FM Channel Allotments, Section 73.202(b) of the FCC Rules. The request is to add Channel 234A to Brackettville, Texas. This statement discusses the technical factors involved in the above change.

1. The reference coordinates for this Brackettville, Texas proposal are:

Latitude 29°19'00" North, Longitude 100°25'03" West

2. As can be seen from the attached Exhibit A, Class A operation from this site will comply with all separation requirements as set forth in §73.207 of the FCC Rules.

3. The coordinates of the reference site are located within the city limits of Brackettville. From this site the entire city will be served with the 70 dBu contour as required by §73.315(a) and (b) as shown in Exhibit B.

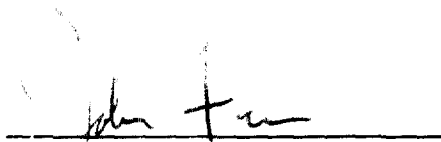

4. The site proposed herein is 33 km to the nearest point of the US-Mexican border and therefore coordination will be required with Mexico.

5. The population served will be 3,119 persons within the 60 dBu (1 mV/m) contour having an area of 2,516 square kilometers.

6. Brackettville is the county seat of Kinney County which has no other broadcast services, so this proposal is for a first local service. The population of the city is 1,740 persons in 748 households. Kinney County has 3,532 persons.

I, John R. Furr, am a Communications Consultant, and represent Walker. My qualifications are a matter of record with the Federal Communications Commission, and all statements made herein are true and correct to the best of my knowledge and belief.
